MEMORANDUM FOR: National Weather Service Directives System (NDS)
Customers
Signed
FROM: Laura K. Furgione
Acting Regional Director
SUBJECT: Recision of NDS Supplement ARS 01-2002, Alaska Marine
and Coastal Services Areas of Responsibility

The following document is rescinded from the NDS:

NDS Title: Alaska Marine and Coastal Services Areas of Responsibility
NDS Number: ARS 01-2002
Applicable to: NWSI 10-302
Effective Date: January 7, 2003
Signature Date: December 12, 2002
Certified By: W/AR1 (Partain)
Approving Authority: Richard C. Przywarty, Regional Director

Summary: ARS 01-2002 was issued because the initial issuance of NWSI 10-302, Marine and Coastal Services Areas of Responsibility, on May 21, 2002, did not address Weather Service Office areas of responsibility in Alaska. The emergency update of NWSI 10-302 effective January 13, 2004, does cover these areas in Alaska. Therefore, ARS 01-2002 is no longer needed and should be removed from the NDS.
